Briefly describe the community based landscaping event you envision.

How many lots in your subdivision have occupied homes?

Does your organization plan to utilize a neighborhood resident as the organizer?

Have you surveyed the neighborhood and insured interest among residents?

What other resources will your event seek to support the planting event?

How will the GMHF funds be spent?

What quantity, type, and size of trees/shrubs are you hoping to plant?

Have you or your organization ever planned a community planting event?

Will your trees/shrubs be planted this year?
